[Special Notice RE: COVID-19 and Zoom / Teleconference Instructions](#)

NOTICE: In an effort to control the spread of the COVID-19 virus, California Governor Gavin Newsom issued Executive Order N-33-20 on March 19, 2020. Order N-33-20 obligates all residents in the State of California to stay home and heed the public health directives issued by the Department of Public Health. As a result, the District will be unable to offer its meeting room to hold this regular meeting. Instead, the meeting will be held entirely by Virtual Meeting Via Zoom / telephone, consistent with Executive Order N-29-20, which waived certain provisions of the Brown Act. District directors and members of the public may participate in the meeting using the same Zoom Meeting access information listed below, as authorized by Executive Order N-29-20. If the mode of communication changes, the District will use the most rapid means of communication available at the time.

The greater flexibility provided by the Executive Order will be useful in protecting the health and safety of local public agency board members, staff, and members of the public during the COVID-19 pandemic without halting progress on the public's business or eliminating public access to decision-making. Agencies may choose to take additional precautions such as including language in their agendas advising those who are sick to please consider participating in meetings remotely.

The California Department of Public Health is maintaining up-to-date guidance relating to COVID-19, available to the public at <https://cdph.ca.gov/covid19>.

The RD784 Special Board Meeting Scheduled on July 8, 2020 at 10:00 AM will be held solely by Zoom Meeting with telephone call in option. No one will be allowed to be physically present at the regular District meeting location. Anyone who would like to participate in the meeting must use the Zoom video link below OR conference line below.
