

RESOLUTION 2019- 3

**RESOLUTION OF THE THREE RIVERS LEVEE IMPROVEMENT AUTHORITY
SUSPENDING BENEFIT ASSESSMENT UPON APPROVAL AND LEVY OF
ASSESSMENT BY RECLAMATION DISTRICT 784**

WHEREAS, the Three Rivers Levee Improvement Authority (“TRLIA”) is a joint powers authority that has spent over \$400 million improving and rehabilitating levees protecting areas of Yuba County from flooding from the Yuba, Feather and Bear Rivers; and

WHEREAS, in 2009 TRLIA formed a benefit assessment district that generates funds to pay for operation and maintenance of TRLIA-improved levees by Reclamation District 784 (“RD 784”) as well as the local share of improvements and/or ongoing environmental mitigation commitments associated with TRLIA’s projects; and

WHEREAS, RD 784 is proposing to levy a new assessment to fund internal drainage services and levee operation and maintenance activities of its existing TRLIA improved levees as well as the new TRLIA Goldfields levee; and

WHEREAS, RD 784’s proposed new assessment will levy the assessments from properties that receive special benefit from TRLIA improved levees as well as properties that will receive special benefit from the new TRLIA Goldfields levee; and

WHEREAS, if approved by property owners, RD 784’s proposed new assessment will be sufficient to replace both the current RD 784 assessment and the TRLIA assessment as early as Fiscal Year 2019/20, and will create administrative efficiencies for property owners; and

WHEREAS, TRLIA wishes to clarify for its current assessment payers its intent to suspend the levy its assessment if the RD 784 assessment is approved by property owners and levied by RD 784; and

WHEREAS, a suspension (and not elimination) of the TRLIA assessment will allow for the levy of the assessment by TRLIA in the event the RD 784 assessment does not pass or cannot be levied by RD 784.

NOW, THEREFORE, THE THREE RIVERS LEVEE IMPROVEMENT AUTHORITY RESOLVES AS FOLLOWS:

1. Upon the valid formation of RD 784’s proposed assessment district and RD 784’s approval and call for the levy of the assessment on the Yuba County secured property tax roll, TRLIA will suspend its 2009 assessment for Fiscal Year 2019/20 and for each year into the future so long as the RD 784 assessment remains valid and levied.

PASSED AND ADOPTED this 19th day of February, 2019, by the Board of Directors of the Three Rivers Levee Improvement Authority.
